ABOUT JUMPSTART

Jumpstart envisions the day when every child in America enters kindergarten prepared to succeed. A national early education organization with operations in 15 states plus Washington, DC, Jumpstart drives outcomes for young children in three critical ways. Jumpstart provides language, literacy, and social-emotional direct service programming utilizing an evidence-backed curriculum for preschool children from underserved communities, workforce programming to expand the pipeline of qualified, diverse talent pursuing careers in early education, and policy advocacy to support the early childhood field and promote high-quality early learning for all. By leveraging our 25 years of experience serving over 140,000 children with the support of more than 60,000 college students and community volunteers, Jumpstart executes these three objectives to improve the quality of the early education workforce and increase opportunity for young children to succeed across America.
