ABOUT JUMPSTART

Jumpstart envisions the day when every child in America enters kindergarten prepared to succeed. A national early education organization with operations in 14 states plus Washington, DC, Jumpstart drives outcomes for young children in three critical ways. Jumpstart provides language, literacy, and social-emotional direct service programming utilizing an evidence-backed curriculum for preschool children from underserved communities, workforce programming to expand the pipeline of qualified, diverse talent pursuing careers in early education, and policy advocacy to support the early childhood field and promote high-quality early learning for all. By leveraging nearly 30 years of experience serving over 140,700 children with the support of more than 60,400 college students and community volunteers, Jumpstart executes these three objectives to improve the quality of the early education workforce and increase opportunity for young children to succeed across America. POSITION OVERVIEW

The Grants Manager is responsible for overseeing all financial aspects of the execution of Jumpstart’s private and public funding sources, including all local and federal AmeriCorps awards. This position addresses tight deadlines and multiple activities related to data processing of a large volume of transactions each week, internal review to verify strict adherence to policies and procedures, general ledger updates, year-end audit schedule preparation and support, and serving as a customer service presence to both external and internal partners. This is a highly collaborative role that requires strong relationship building, systems building, and project management skills. This role reports directly to the Senior Financial Analyst.

SPECIFIC RESPONSIBILITIES

Accounting
• Obtain and maintain a thorough understanding of the financial reporting and general ledger structure.
• Prepare journal entries to the general ledger to include, correct, or update data as appropriate.
• Manage multiple regular deadlines and tight turnarounds to support the organization’s needs.
• Assist in the development and implementation of new procedures and features to enhance the workflow of the department and to ensure GAAP and OMB compliance at all times.

Grants Management
• Manage all aspects of allocating resources and reporting actuals for AmeriCorps and other grants; work collaboratively with Finance, Development, and Program Operations to ensure both private and public funding fulfill donor expectations.
• Monitor grants spending throughout the year and make journal entry adjustments to ensure full spend down of awards.
• Ensure accurate accounting allocations of staff time across public and private awards.
• Prepare audit materials for public grants.

Compliance, Systems, and Data Management
• Identify and support system connections, relationships, and integrations as needed.
• Ensure compliance with donor requirements, and that all submitted expenses fall within allowability guidelines.
• Maintain familiarity with the requirements of AmeriCorps and other funding sources. Collaborate with Senior Manager, Award Administration to clearly communicate any changes to guidance.
