ADDENDUM #7

**Matching Requirements**

i. **Matching obligation.** The grantee must provide and account for the matching funds as agreed upon in the approved application and budget. Specific matching requirements depend upon the number of years a program has received funding. See chart below. Please note the amounts below are the statutorily required matching levels. If a grantee has an approved budget with a higher matching percentage, the grantee must meet the matching percentage in their approved budget.

Program specific matching requirements for the 2018-2019 year can be found on page 1 of the contract.

ii. **Progress towards fulfilling match.** Adequate progress towards meeting the proposed grantee match percentage is expected to be maintained throughout the year. Grantee match will be monitored on an ongoing basis by MSA staff. i. Changes in the scope, objectives, or goals of the program, whether or not they involve budgetary changes.

ii. Changes in slot configuration or slot conversions. All slot conversions require filling out a slot conversion form for approval by MSA.

iii. Substantial changes in the level of participant supervision.

iv. Entering into sub-grants or contracting out any AmeriCorps Program activities funded by the grant and not specifically identified in the approved application and grant.

v. Depending on the nature of the request, MSA may need to receive the approval of the Corporation before granting final approval of any changes.

i. **Specific costs requiring prior approval before incurrence** under OMB Circulars A-21, A-87 or A-122. For certain cost items, the cost circulars require approval of the awarding agency for the cost to be allowable. Examples of these costs are: overtime pay, rearrangement and alteration costs, and pre-award costs.

ii. **Purchases of equipment having a useful life of one year and a cost of $5,000** using grant funds, unless specified in the approved application and budget.

<td>FSR due October 15</td>
</tr>
</tbody>
</table>

*If the FSR due date falls on a holiday or weekend day, the FSR will be due on the next business day.*

ii. **Progress Reports.** Programs must submit two progress reports, one mid-year and one that covers the mid to the end of program to the MSA. The mid-year report will be due April 15, 2019 and will cover progress made from the program’s start date to March 31, 2019. The final report will be due October 15, 2019 and will cover all information from the program’s start date to the program’s end date. Guidance on topics and formats will be provided by MSA prior to the reporting deadline.

iii. **Estimated unexpended Funds.** All programs must report estimated unexpended funds annually. This report is due to MSA on April 15. Programs should be conservative as any reported estimated unexpended funds will be reallocated and no more available for use by programs.

iv. **Other Federal Funds Used as Match.** Programs must report if they used any other federal funds to match their AmeriCorps grant twice a year. These reports will be due April 15, 2019 and October 15, 2019.

v. **Final Financial Status Reports.** Grantees completing their third-year funding cycle must submit, in lieu of the last quarterly FSR, a final FSR that is cumulative over the entire grant period. This information will be provided to the grantee shortly after the final reimbursement is made to the grantee and is due within 30 days of receipt. In some cases, for grantees with later end dates, the timeline to respond may be shorter.

**ADDENDUM #10**

i. **Timeliness.** Grantees must respond to all programmatic and financial reporting requests correctly and on time. The ability to respond to all program and financial reporting requests correctly and on time, as requested by MSA, will affect the grantee’s future funding. Failure to submit reports in a timely fashion may result in a suspension of the grant.

ii. **Enrollment and retention.** MSA and CNCS expect 100% enrollment and retention. Grantees enrolling and retaining less than 85% of members in relation to slots granted should be aware that this could negatively affect future chances of funding. This will be reviewed on a case-by-case basis.

iii. **Member Hours Reports.** A report with all member hours served to date must be submitted with each reimbursement request.

iv. **Criminal History Checks.** Program are required to track the criminal history check (CHC) status of AmeriCorps members and covered staff using the provided MSA CHC tracking spreadsheet. MSA strongly encourages programs to self-report any noncompliance by submitting the complete tracking spreadsheet within 30 days of program start and again by January 31st. After that point, any noncompliance may not be considered self-reported.

**ADDENDUM #11**

i. **Payment.** Grantees must submit requests for payments 30 days after the submission of FSRs using approved request forms with a copy of the FSR and final PER for that period.
ii. **Reimbursements.** Grantees must submit requests for reimbursements by the 15th and 30th of each month. Accurate reimbursement requests received by the 15th will be processed and payments will be submitted to the grantee on the 30th. Accurate reimbursement requests received by the 30th will be processed and payments will be submitted to the on the 15th. Inaccurate reimbursement requests will be sent back to the grantee for revision. The revised request may then be re-submitted to the next reimbursement request cycle. All requests must include a Periodic Expense Report, a General Ledger, a clear reconciliation report, a narrative to explain the accounting system and an up-to-date copy of the background check and member hours tracking document.

iii. **Budget reduction due to unfilled slots.** MSA retains the right to transfer unfilled slots from a program to another program to more fully utilize awarded funds/slots.

**ADDENDUM #12**

**Monitoring Visits**

MSA will visit every funded program at least once in the three-year grant cycle. At a minimum, newly funded programs will receive a site visit in the first year of the three-year grant cycle. During site visits, MSA will review and evaluate records, accomplishments, organizational procedures and financial control systems, conduct interviews with program directors, other staff, AmeriCorps members (without program staff present), community partners, and, when possible, service recipients; and provide technical assistance as necessary.

Fiscal compliance review may occur at the same time as programmatic site visits or may take place during a separately scheduled visit. Areas for fiscal review may include general management, financial and operational areas, and compliance with the AmeriCorps grant requirements and any audit issues.

**ADDENDUM #13**

**Program Systems & Binder**

Grantees required to submit an operational systems and program binder for review will be notified by an MSA Program Officer by August 2018. Any issues identified through the review will need to be addressed within 30 days of notification.
