Dear CC Alumni,

Happy Fall! The Commonwealth Corps Program is thrilled to have started another year of service this past August 2021. This year we have partnered with 12 host sites and have recruited 31 Commonwealth Corps members. Over the last few months, our Commonwealth Corps members and host site partners have continued building organizational capacity and mobilizing volunteers throughout Massachusetts. So far, members have attended various trainings provided by MSA and their host sites, participated in CC learning groups, and attended small in-person events for an opportunity to connect.

As always, please don’t hesitate to reach out if there is anything you would like to share with MSA, your fellow alumni, or incoming members.

Sincerely,
Stacey (CC Program Manager) & Marlene (CC Program Associate)
