Dear CC Alumni,

Happy summer! We’d like to welcome the new 2020-2021 Commonwealth Corps alumni! The cohort has completed their year of service and officially are joining our incredible network of over 1,090 CC alumni. Members had to navigate their roles during unprecedented times, but they still managed to help expand and enhance their host organizations’ programming both through immediate client and community impact and towards longer-term capacity-building projects. You can read more about all of this past year's members and host sites in our recent newsletters here.

As always, please don’t hesitate to reach out if there is anything you would like to share with MSA, your fellow alumni, or incoming members.

Sincerely,
Stacey (CC Program Manager) & Marlene (CC Program Assistant)
